OBJECTIVE | An Engineering Student with 3+ years of Retail and WH&S experience, possessing a Diploma of Business and Cert II in Information, Digital Media and Technology. Has the ability to work in a fast-paced environment, using common sense and judgement to manage own workload if necessary. Offering a friendly attitude towards both peers, co-workers, employees, and customers, for a positive overall experience.

EXPERIENCE | **KITCHEN HAND MCKENZIE AGED CARE**

2020-2021

As a Kitchen Hand you are required to work as a team to deliver refreshments and essentials as well as stock supplies and serve meals to the designated residents. While doing this, managing the required food bins and plate trucks are also required as they are sent to both wash and disposal. A re-setup of tables and setting other hall supplies needed is done to ensure the area is kept ready and clean. Depending on the time of shift, mopping the kitchen floors as well as recording the temperatures of all the facilities is done.

TERMINAL OPERATOR 7/11

2017-2019

As a Terminal Operator the entire store is managed by performing tasks such as cleaning displays and facilities for a hygienic environment, operating the terminal to allow customers to purchase goods and services as well as offering up sales when available, communicating in a reliable manner with both staff and store support terms for a positive encounter.
